

Dear Patient,

Hello, and welcome to our office! Thank you for choosing us as your new dental home. It is our goal that you receive a healthy and beautiful smile. We promise to work with you so you can achieve this purpose and maintain your results.

Your oral health is our utmost concern. In order to provide the best possible care for our patients, we use advanced materials and equipment, and our clinical staff attends many continuing education courses to stay updated on the latest scientific studies and techniques. We are dedicated to preventative dental care, and believe like many other fields of healthcare, early detection is most important!

We realize that the cost of dentistry has risen throughout the years. This is why we try to accept most major dental insurances. For our patients without dental insurance, we offer a few discount plans that may help you to cover your cost.

If you have any questions about your upcoming appointment, please call our office at (843) 706-9600, or email us at [parkwaypatients@yahoo.com](mailto:parkwaypatients@yahoo.com). Thank you again for your confidence in our dental team.

Sincerely,

Dr. Jeff Wonder and the staff of Parkway Family Dental
